

# THE KASBAH

• MEDITERRANEAN •

*Fresh. Simple. From the Mediterranean.*

Inspired by coastal flavours, seasonal ingredients  
and time-honoured traditions.

## DESSERTS

|                                                                                                                                                                                           |   |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|
| <b>BAKLAVA</b> (V)                                                                                                                                                                        | 5 |
| <b>BAKLAVA SUNDAE</b> (V)                                                                                                                                                                 | 8 |
| Served with vanilla ice cream topped with<br>caramel sauce                                                                                                                                |   |
| <b>RICE PUDDING</b> (V)                                                                                                                                                                   | 4 |
| Served warm like the old days in Greece<br>(Gluten Free)                                                                                                                                  |   |
| <b>CRÈME BRÛLÉE</b> (V)                                                                                                                                                                   | 8 |
| Rich Vanilla Custard topped with caramelized<br>sugar                                                                                                                                     |   |
| <b>CHOCOLATE LAVA CAKE</b> (V)                                                                                                                                                            | 9 |
| A moist dark chocolate cake filled with<br>chocolate filling. Served warm with ice cream<br>topped with chocolate                                                                         |   |
| <b>CHOCOLATE PEANUT BUTTER<br/>CHEESECAKE</b> (V)                                                                                                                                         | 9 |
| A REESE'S Peanut Butter cheesecake<br>drenched with dark Callebaut chocolate<br>ganache, atop a chocolate graham crumb<br>base. Finished with swirls of REESE'S peanut<br>butter drizzle. |   |
| <b>STRAWBERRY SHORTCAKE</b> (V)                                                                                                                                                           | 9 |
| Strawberry shortcake made to perfection<br>with real 35% whipped cream and blasted<br>with real strawberries                                                                              |   |
| <b>TIRAMISU</b> (V)                                                                                                                                                                       | 9 |
| Layers of Lady fingers drenched in espresso<br>& coffee liqueur enhanced with a mascapone<br>cheese filling and then topped with cocoa                                                    |   |

|                                                                                                                                                           |   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|
| <b>LEMON LAVENDAR CHEESECAKE</b> (V)                                                                                                                      | 7 |
| White chocolate lemon cheesecake topped<br>with Lavender fondue                                                                                           |   |
| <b>APPLE CRISP MELT AWAY</b> (V)                                                                                                                          | 7 |
| Apples topped with coconut cinnamon<br>streusel & homemade caramel sauce. Add Ice<br>cream with caramel sauce for \$1.50 extra                            |   |
| <b>STICKY TOFFEE PUDDING</b> (V)                                                                                                                          | 8 |
| A crown of luxurious melted caramel tops this<br>moist, spiced cake, which is stuffed with<br>delectable dates                                            |   |
| <b>EUROPEAN CREAM CHEESECAKE</b> (V)                                                                                                                      | 9 |
| A vanilla-enhanced classic cheesecake<br>topped with your choice of topping                                                                               |   |
| <b>VEGAN CARROT CAKE</b> (V)                                                                                                                              | 9 |
